

## Workshop Descriptions

### Music Workshops:

#### **Creative Explorers**

Encourage your toddler to be creative and initiate their own ideas through music, movement and dramatic play.

#### **Family Sing-Along**

Get your groove on with musician Miss T, who will lead participants of all ages in a fun and interactive sing-and-dance-along.

#### **Fun with Percussion Drum Circle**

Join Dave Gould for a jam session and exploration of different percussion instruments. Use your creativity to make rhythms and interesting soundscapes.

### Dance Workshops:

#### **Baby Ballet**

Open for little boys and girls alike, this workshop will give you and your young ones a chance to move together and learn basic ballet steps using imaginative play.

#### **Broadway Moves**

A fun and energizing class that brings Broadway dance to life. Learn the moves used by Broadway stars to make their performance soar onstage!

#### **Family Jazz Dance**

Bring the whole family and get your bodies moving with some energetic jazz dance steps and choreo.

#### **Intro to Contemporary Dance**

Express yourself through movement and use your body to paint emotions in a free and natural way. No dance experience necessary!

# Theatre Workshops:

## **Intro to Improv!**

Jump into the world of theatrical improvisation as participants play games, bring characters to life, and build scenes together. All you need to participate is your imagination!

## **Musical Theatre**

Get ready to sing and act your way through a piece from the smash Broadway hit and critical darling, "Dear Evan Hansen."

# Visual Arts Workshops:

## **Artistic Coding**

Discover how to turn your photos into panoramic spirals with a simple Photoshop script. Meet the artist and learn the techniques behind our current "Cloud Storage" exhibit. Bring your own images on a USB or smartphone, or explore the ones provided. Take home a swirling image at the end of the day.

## **Painting In Rainbows**

Come explore all the tints, tones and shades of colour by mixing up your very own rainbow! This is a hands-on, sleeves-up, drop-in the whole family will enjoy as we experiment with paint and colour. Create an original colour to add to our rainbow mural, and take home a painted masterpiece of your own!

## **Anime and Manga**

Come explore the unique drawing style of Japanese manga and anime! In this drop-in learn the basics of creating your very own manga character. Kawaii!
