

HCA PARKING UPDATES

As part of a long-term construction project by Metrolinx, the lot that HCA has historically used for parking is no longer accessible to our families and patrons. We have 11 drop-off spots available (10 minute parking).

- **111 MacNab Street: 8 spots** available for drop-off (through the alleyway between Royal MacNab Apartments & 111 MacNab)
- Additionally, **3 more drop-off spots** are available, clearly marked and numbered with green labels 1, 2, and 3, accessible from the original entrance to the parking area. (Monday through Friday after 5pm and Saturdays from 9 - 5 pm). Please see the map for a visual reference. Our neighbours have generously allowed us to use these spots, so we appreciate that these spots are not used outside of the listed hours.
- **Behind the building:** Instructor parking only

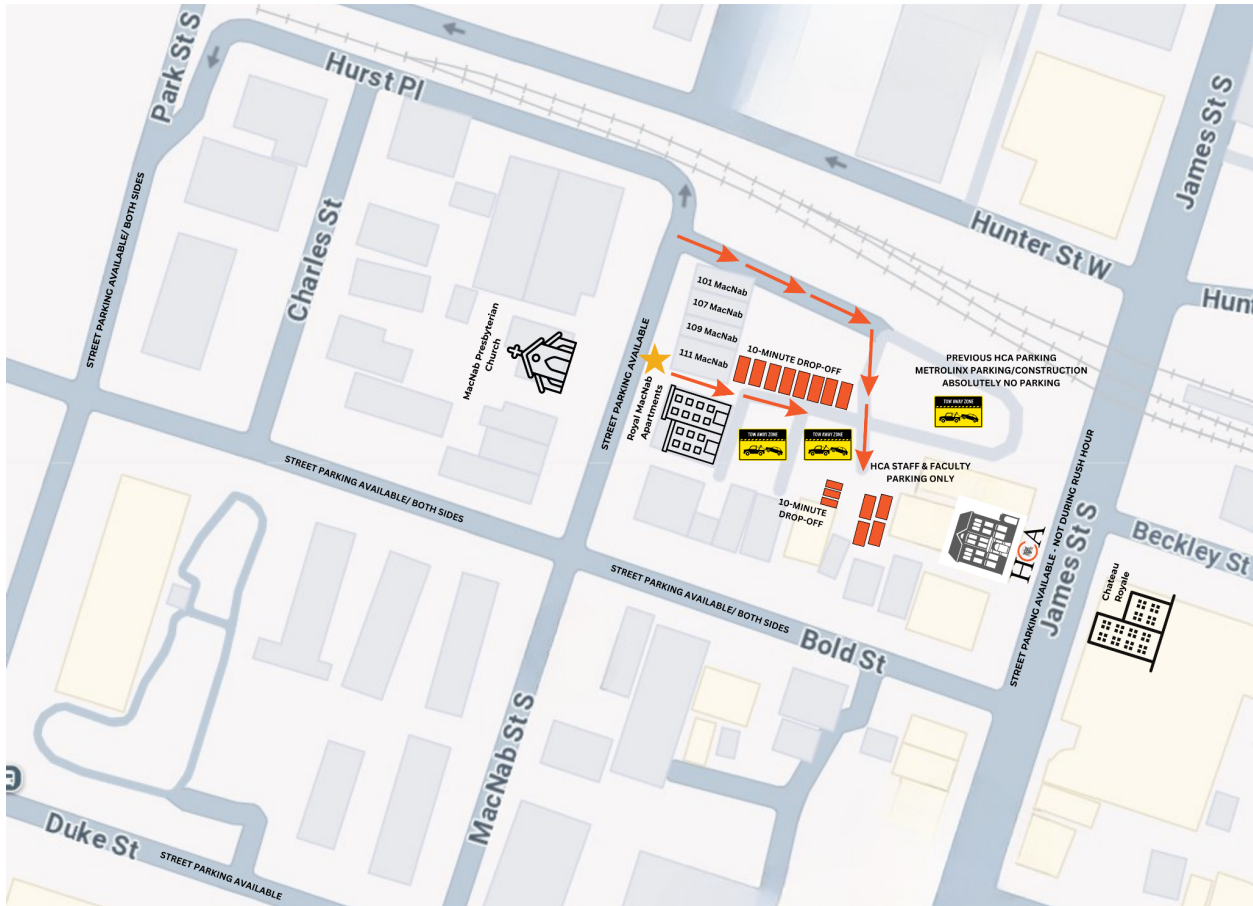

You can access the 111 MacNab Street drop-off spots through the laneway between the Royal MacNab Apartments and 111 MacNab. Vehicles will be entering and exiting this area; please check before you drive into the alleyway to see if there are spots in the 111 MacNab lot to avoid having to turn around.

There is free street parking available near HCA. We encourage you to check out the following streets:

- Bold Street (both sides)
- Park Street (both sides)
- MacNab Street
- Duke Street
- Augusta Street
- James Street South in front of the Chateau Royale (not during rush hour)

Please review all street signs before parking. HCA is not responsible for tickets. We encourage you to follow the guidelines above to avoid the cost and inconvenience of a parking ticket. Thank you for your cooperation.
